Scheduling comments:

Important notes:

- **To provide the best possible experience for your students, we prefer not to combine classrooms.**
- **Volunteers will be mailed a list of teachers that have requested presentations as of January 8. Once a volunteer has been matched with your classroom, he or she will receive a copy of this form and will contact you directly to schedule your lesson.**
- **Because of the number of presentation requests (typically about 160), it may take some time for a volunteer to be matched with your classroom. If a volunteer has not contacted you by February 12, please contact Rhodora (see contact info. below).**

Choose the easiest way to submit your form:

- 1) Print form and fax to (815) 756-3961.
- 2) Mail form to DeKalb County Farm Bureau, 1350 W. Prairie Dr., Sycamore, IL 60178.
- 3) Complete electronically and submit by clicking the button at the bottom of this page. This should automatically generate an e-mail with the data from your form attached. Click "Send" in your e-mail program to submit. Be sure to print a copy for your records!

You will receive a confirmation via e-mail (if provided) when your form has been received.

~~ Request forms will be accepted until January 8, 2010. ~~
