

Name _____

Agriculture Connects to My Life!

You use products from agriculture every day. Write down two things you have done during each part of a typical school day. Then, list some items you used during that activity. Finally, show how those items came from agriculture. The first one is done for you.

TIME OF DAY	I DID...	I USED...	HOW IT CAME FROM AGRICULTURE
Before school	1. <i>Take a shower</i>	<i>soap towel</i>	<i>beef cattle cotton plants</i>
	2. <i>Eat breakfast</i>	<i>corn flakes orange juice milk</i>	<i>corn oranges dairy cattle</i>
Morning at school	1
