

"Go GREEN"

Wednesday, March 17, 2010
DeKalb County Farm Bureau
Center for Agriculture
11:30 a.m.

with Agriculture

It's **National Agriculture Week**
and **St. Patrick's Day** so to
celebrate we're going **GREEN!**
Please join in our celebration
with lunch and an entertaining,
informative program.

Guest speaker Kevin Daugherty, Illinois Farm Bureau Education Manager, will explain how today's farmers are going green with sustainable agricultural practices which are environmentally friendly, economically viable and socially acceptable.

And, to drive home the point that food is still a bargain in the U.S. we are offering this meal at the farmer's share -19%- of a hot roast beef lunch.

RSVP to the DeKalb County Farm Bureau office, 815/756-6361, by Friday, March 12. Lunch fee of \$3 collected at the door.
